

### EAGLEVIEW TRAFFIC/PARKING GUIDELINES

In the interests of both student safety and traffic safety, EMS parents are requested to follow the guidelines listed below to make the traffic flow process work for everyone. **Please note that there is no supervision of students prior to 8:10 or after 3:45 except for students participating in a school sponsored activity.**

- Student drop-off and pick-up zone is located in back of the building.
- **NO student drop-off/pick-up in staff parking areas or bus lot.**
- **The front loop/staff parking is for students with disabilities, preschool, or office visits/meetings.** Please escort students into the building.
- Pull forward to drop-off/pick-up zone located in the back of the building.
- Only allow student to enter and exit vehicle in the **pick-up/drop-off** zone.
- Discuss a safe route to/from school if your student is not eligible for bussing.
- Have student ready **BEFORE** arriving at the school. Kiss, hug and go!
- Instruct student to actively look for you after school.
- **8:35 AM** drop-off lane closes. Bring students to the front of the building after 8:35.
- **3:10 PM** pick-up lane opens. Please do not arrive prior to this time.

#### Traffic safety guidelines:

- Enter **ONLY** at Student Pick-up/Drop-off Entrance (**EAST** Driveway).
- Exit **ONLY** at **WEST** Driveway.
- Follow directions of traffic personnel.
- Be patient and courteous to other drivers.
- Form carpools or walking to school buddy groups.
- Be aware of students/staff as you proceed around the building.
- Limit hand-held devices while operating vehicles on school property.

During inclement weather, expect delays and plan accordingly. Avoid heavy congestion – drop off by 8:10 AM and pick up after 3:45 PM.
