

Eagleview Middle School Academic Arts Academy

1325 Vindicator Drive
Colorado Springs, CO 80919
719-234-3400 Phone
719-234-3598 Fax

Mission

The Academic Arts Academy fosters a safe culture that empowers each student to synthesize academic content with authentic integration of the arts. Students engage in innovative learning through guided choice, personal expression, collaboration and interactions with the arts community. A shared commitment to high achievement and ownership of knowledge challenges learners to create connections and discover their voice in a diverse society.

What is the Curriculum?

- AAA aligns with the Colorado content standards in all academic core classes
- Same rigor as other teams, with a strong emphasis on critical thinking and preparation for H.S.
- Common assessments
- Exploratory choices

What is Arts Integration?

We design our curriculum considering:

- In the Arts (creating the environment)
- With the Arts (including performance or visual arts)
- About the Arts (incorporating art history or art technique)
- Through the arts (sharing learning using artistic expression)
- A focus on the intellectual, social emotional, moral & physical development of your adolescent
- Teachers that are passionate about the Arts
- We are NOT a performing arts school

Who Fits?

- Students have a strong interest in the arts
- All ability levels
- Active hands-on learners with an emphasis on technology (BYOD)
- Students who demonstrate what they've learned in many ways including through the arts (voice & choice)

Mission

Eagleview Middle School, in partnership without community, is a safe culture based on trust, that provides challenging, innovative, and engaging educational experiences, while meeting the unique learning needs of all students and empowering students to succeed with integrity in a diverse and global society.

What is the Curriculum?

- Eagle Academy aligns with the same Colorado content standards in all academic core classes
- Rigorous teams, with a strong emphasis on critical thinking and preparation for H.S.
- Common assessments
- Exploratory choices

What is Exploratory?

We design our curriculum considering:

- Discovering and exploring students' specialized interests
- Educational opportunities that are present and future
- A wide range of cultural, social, civic, vocational and recreational interests
- Structured learning that allows flexibility, creativity and accountability
- A focus on the intellectual, social emotional, moral & physical development of your adolescent
- Development of personal identity of self-concept
- That every individual can learn and does so in variety of ways

Who Fits?

- Students who have a strong interest in learning in both collaborative and direct instruction environment
- All ability levels
- Active hands-on learners with an emphasis on technology (BYOD)
- Students who like to see the big picture and how the pieces fit
